## Todoroff, Stuart To Share 1962 Civic Award

Presentation To Two Teachers Planned At Banquet This Spring

Two teachers in the Granite City public school system, James Stuart and Robert D. Todoroff, were named today as joint winners of the 1962 Civic Achievement Award, to be presented at a banquet in late April.

The award committee of the Associated Retailers and Civic Association cited Stuart for his service to youth, including 30 years as advisor of the local DeMolay chapter. Todoroff created and taught the Latin American rhythm ensemble which gained national acclaim for Granite City last summer, winning the hearts of the Mexican people and their leadership, conduct and fluency during a 19-day tour.

The decision to have the two Coolidge Junior high school faculty members share the annual award for outstanding civic achievement was reached after they died in voting conducted among the committee members.

Stuart, a science instructor, resides at 3711 Nameoki road. Todoroff, director of the Coolidge school band, lives at 2501 Delmar avenue.

By coincidence, they have occurred three years in a row. Henry D. Karandjoff and Edwin E. Schmitt shared the 1960 award, and Carl A. Ranft and W. Carl Graham jointly received the 1961 award.

**Holds Many Citations**  
The award is one of many earned by Stuart who was honored May 12, 1960, with a testimonial dinner recognizing more than 25 years of service to youth as advisor, board chairman of the Granite City DeMolay chapter. More than 300 attended.

His voluntary work was described at that time as "long, devoted and effective" in fostering character-building as part of the chapter's athletics, social programs and ritual work.

It was noted that the chapter is the oldest in Illinois and second largest in the state and that it has produced two state DeMolay counselors as well as winning the 1959 National DeMolay basketball championship with Stuart as coach. Over 3000 Granite City men and youths have "come under the direct influence of his leadership, inspiration and guidance," it was recalled.

Stuart became advisor to the chapter in 1953 during a depression period in which youths encountered a lack of "things to do" as well as a lack of "things to do with." He was instrumental in disbanding of the chapter had been considered because there were no youths to lead, and Stuart stepped forward on a "temporary" basis.

### Rail Crossing Blocked When Car Is Derailed

(Picture on Page 12)

The West Pontoon road rail crossing was blocked about an hour Sunday when a boxcar in the middle of an 80-car, southbound Washburn freight train derailed.

A spokesman for the railroad said the derailment resulted from a burned out journal box. The rear trucks of the car jumped off the rails at the Maryville road crossing and damaged ties for a distance of nearly two miles.

Brakes on the train locked as a result of the derailment, and the train halted, blocking the West Pontoon road crossing about 11:40 a.m. The derailed car was about a quarter mile south of the West Pontoon crossing.

The damaged trucks were re-

### Hospital Announces Visitor Restriction

A restriction on visitors at St. Elizabeth Hospital was announced today by the administrator, Sister Mary Thomas, who said only immediate families are to be admitted to patients' rooms.

Sister Thomas said the restriction is due to the influx of flu. "We want to limit the number of visitors in order to hold down any spread of the disease," she said.

The hospital today listed 21 patients with either pneumonia or flu. The hospital hit a peak of 242 patients last week, but releases over the weekend has made beds available.

The treatment plant engineer-

ing contract revisions do not include any changes in the extra \$25,000 fee to be paid for additional sewer surveys, preliminary treatment plant design and aiding the city in securing federal funds and a method of financing.

The firm will charge regular engineering fees for detailed planning and construction supervision.

A local engineering firm, Shepherd, Morgan & Schwab, has offered to do the job without an additional fee. It completed data in the sewers for the drainage pollution program which was rejected by voters last October but was not considered for the revised project.

Under the proposed agreement, the city is to furnish labor and materials needed for installing devices for gauging sewage flow and to assist the engineers in carrying out the gauging and sampling of sewage flows.

For operational supervision of the sewage treatment plant when completed, the city is to pay a resident engineer and chemist or operator payroll costs plus 50% to cover overhead and in addition pay any pocket expenses.

Space is to be provided by the city for the engineers to set up a laboratory, and the city also is to supply legal services in connection with the project and pay for test borings.

### Candy Bar Burglars —3 Boys—Caught

Three small boys, ages nine to 12, were apprehended yesterday afternoon when they broke into Michel Bros. Grocery, 22nd street and Edison avenue. They were held by a passerby until police arrived.

The boys who were juvenile-minded and referred to by police officials as the "three boys" were returned to Tolar today.

### Fire Damages Tavern

Fire at 3:10 p.m. Thursday caused an estimated \$200 damage to the exterior of a frame single-story building at 108 St. Louis street occupied on the upper floor by Mrs. Erminette Delaney, who operates a tavern on the main floor. The blaze was attributed to a faulty fuse.

## Board Seeks Added 100 Units For Elderly

Council Expected To Review Treatment Plant Engineering Agreement

A request to expand the 100-unit Anchorage Homes for the elderly by another 100 apartments is to be presented to the council tonight by the Granite City Housing Authority.

While not listed on the agenda, Mayor Davis previously announced the treatment plant engineering proposal with Chester Engineers, Pittsburgh, Pa., to be submitted for reconsideration. The proposal was approved initially at the Jan. 21 meeting.

The housing board is seeking the 100 additional units to meet the large number of requests for apartments in the 100 units now under construction in the eastern end of Edwards street.

The board also is asking the city to update the city's master plan to the relationship between requirements for low-income housing projects and the city's master plan.

There presently are more than 300 applications for the 100 apartments that have been designed for the elderly.

## \$39,995 U. S. Grant To Plan Orderly Growth In 2 Counties

Federal financing for a Madison, Wis., county metropolitan area planning commission was approved Saturday by the Urban Renewal Administration in Washington.

A federal grant of \$39,995 will go to the Illinois Board of Economic Development, Springfield, to be administered for the economic development of the two-county area under a program being outlined by the Southwest Illinois Area Study Commission headed by State Sen. Paul Simon of Troy.

Simon said the basic purpose of the commission will be to set the pattern for orderly growth for the area. He added that state funds of \$19,998 to \$37,500 also are proposed, and that professionals would be hired to guide the program.

Reducing Average Of 26 By One Would Add 18 Teaching Positions

(Sixth of a Series)

In an advertisement directed to "parents and friends of students" enrolled in the Granite City school district, Teachers' Local 743 has urged that you know that in some elementary school classes there are in excess of 45 students in a classroom. ## Venice Children, One and Two, Die; Inquest Pending

An inquest is pending in the deaths of two small Venice children who were dead on arrival at St. Elizabeth Hospital about 8 a.m. Friday, apparently the result of pneumonia.

The children are Sheldond, two, and Shaganna, one, daughters of Willetta Porter, 631 Salver street. The older child, three, died Thursday night at Children's Hospital, St. Louis, and is released.

Deputy Coroner Henry Pieper, who will conduct the inquest, said the children were taken to a physician Thursday evening.

The doctor recommended hospitalization, he said.

The older child was taken to the St. Louis hospital where she received emergency room care and was sent home.

Her father said there is little doubt the children died of natural causes, probably pneumonia.

The family, aged four years and one month.

Funeral services were conducted Thursday at an East St. Louis funeral home, with interment in the Sunset Garden of Memories there.

### Three In Running

GC Jaycees To Name 'Young Man Of '62' Wednesday Night

The "Outstanding Young Man of 1962" in this community will be named Wednesday evening during the annual "bosses' night" banquet of the Granite City Junior Chamber of Commerce.

He is to be named from a field of three select Thursday night from about 15 names. The running are Alvin Barnes III, 3400 Franklin avenue, who is merchandise director of City Grocery Co. and president of the Jaycees; Jerald E. Kent, 1301 Madison avenue, president of Kent Realty Co.; and Robert D. Todoroff, 2501 Delmar avenue, director of most of the city's junior high school and of the famed Latin American Rhythm Orchestra.

Announcement of the three candidates was made by Earl Parsons, chairman of the annual Jaycee Distinguished Service award.

The nominations were made on the basis of Contribution to

## Crucial Zoning Vote Wednesday By County Board

Deferral or referral, rather than defeat, appear to loom as the principal hazards to the Madison county zoning proposal when it comes up for a vote during the County Board of Supervisors' February meeting.

The session will begin at 10 a.m. Wednesday in the basement board room of the county court in Edwardsville.

Principal worry is not the foes, who are a minority of the 49-member board. Estimates of the number of pro-zoning votes range from 25 to 28 to 28.

But some of the proponents may prefer delay at this point despite the fact that delay could make it impossible to open Northwestern Illinois University schedule, and despite the widespread belief that most Madison county residents desire zoning.

**Relieve 70% Want Zoning**  
Surveys have shown more than 70% sentiment for zoning, and last week in the Madison county boardroom, the 48 of the first 50 people contacted went to see the zoning ordinance adopted.

Petitions being circulated among Chautauque township residents urge Supervisor Joseph Troedger to vote "Yes" Wednesday.

The Zoning and Subdivision Control Committee of the board is expected to submit the proposal for acceptance. A vote could then be delayed only by action to send it back to committee — requiring two-thirds of a motion to postpone to the next board meeting.

## Harold Smith Given \$2268 For Suggestion

(Picture on Page 14)

A \$2268 suggestion award was presented last week to Harold Smith, a production welder at the Smith Corp. auto frame manufacturing plant.

Smith, who lives at 4525 Madison street, was presented with the award by his wife, Mrs. Smith, and two children, received just \$222 under the possible maximum in savings.

His suggestion had to do with the use of a fixture in one of the sub-assembly lines. It resulted in a time saving of 1.5 minutes per hour, which would save the company \$2268 a year.

Smith has been with A. O. Smith since October 1954. His award was the third largest to be awarded at the local plant.

He received the award from his department supervisor, Warren Wells.

## 2 Of 5 Withdraw In Chouteau Twp.; None In Nameoki

Two candidates for the office of highway commissioner in Chouteau township withdrew petitions of nomination Saturday, as reported by Town Clerk Nanette Sparks, who said three others remain in the race.

Dropping out were Marion Sparks and Arthur LaRose, both of Mitchell. Sparks took the operation of a service station at 19th street and Niedringhaus avenue, and LaRose held the clerk he thought there were too many candidates.

Remaining in the race are the incumbent, Paul E. Potter, of South Road, Ben Eberhart, Mitchell and Teddy Luebert of Rural Route One, East Loutin.

Nanette Sparks, town clerk, said that she had no withdrawals and two full tickets will be in the ballot box at 6 p.m. in the Rose Bowl restaurant.

Barney activities included his direction of Jaycees' activities. (Continued on Page 2, Col. 7.)

## 2 Traffic Crashes Kill One, Injure 13

Leave On U.S. 67a Scene Of Fatality; 3 Killed There Last December

The leaves "hump" on U. S. Highway 67a, two miles north of Granite City, was the scene of another fatal traffic crash—the second in less than three months.

A St. Louis television station engineer, Adelbert Godron 56, was killed outright in a head-on collision which seriously injured the other driver, Berdis Summers, 49, of Hartford.

In the other traffic crash in the Quad-Cities over the weekend, 13 persons were injured.

State troopers reported Godron was traveling south and was attempting to make a left turn onto a dirt road, while Summers was traveling north and going west on U. S. 67a.

Godron died of a skull fracture. Summers, a refinery worker, was given emergency treatment at St. Elizabeth Hospital for chest injuries and multiple abrasions and contusions to his head and face. He was transferred to St. Joseph's Hospital, Alton.

Godron is survived by his wife, Adeline. An inquest will be held.

An official of International Brotherhood of Electrical Workers Local 4 reported Godron, a staff engineer on Ktvi television station, was enroute to assume picket duty at radio station Wenu. The union has been picketing the station since early last year.

**Driver Hurt, Charged**  
Charges of driving without license and careless driving were placed against Jude A. Sampson, 24, of 2188 Olive avenue, who was arrested about 2 a.m. Sunday when his auto crashed into utility pole along Nameoki road, near the intersection of U. S. 67a. He died at the hospital for a cut to his nose.

Police said they saw Sampson's auto headed north without lights and turned around to turn back. As the motorist was pulling over for the police patrol car, it hit the pole. The injured driver was taken to the hospital by ambulance.

**Crash On Poag Road**  
A two-person auto from St. Elizabeth Hospital after a crash about midnight Saturday when it was traveling along Poag road, near the intersection of U. S. 67a, crashed into a parked auto a mile east of Route 111.

The troopers said Leslie Copeland, 22, of Edwardsville, was driving along Poag road when he crashed into the auto of DeWayne D. Ollis, 19, of 2039 Sherman avenue, Copeland, who was driving a 1961 Buick Wildcat, was killed.

Ollis was treated for a cut and abrasions to her forehead, and her one-year-old daughter, Sandra Kay, underwent skull x-rays.

Ollis suffered scratches to his face. (Continued on Page 15, Col. 4.)

## WARM WET SUITS provided some protection for 17 Scuba enthusiasts who took part in the local Bubbleheads Club ice dive yesterday afternoon in a sand pit off Route 111 near Stallings. Coming out after a dive in the 38-degree water are Glen Wright and Donald Ballard.

A 7 1/2-inch layer of ice was chopped and covered for the staging of the annual ice dive yesterday afternoon by the local Bubbleheads Diving Club.

Seventeen Scuba enthusiasts jumped through the holes to explore a 15-to-20 foot deep sand pit along Route 111, immediately south of Route 162.

Preparations for the dive, members of the local and St. Louis clubs chopped the holes and used a crosscut saw to enlarge them for diving.

The air temperature was in the moderate 40's, and the divers reported the water temperature was 38 degrees.

"Water 40 to 50 feet deep is that cold even in the summer time and we have to wear our rubber wet suits then," one diver remarked.

About 100 spectators lined the banks of the pit to watch the group. Several divers swam from one hole in the ice to another, and all reported they were unable to see much after going down three or four feet in the water.

Along with their diving equipment, the divers had tents, stoves and plenty of hot coffee on hand.

After the dive the participants had a pot luck dinner and movies of last year's activities at the home of Mr. and Mrs. Carl Krohne, 4232 East Lake drive.

## Two Incumbents Bypassed

### Mayor's Group Endorses GC Administration Candidates

City administration candidates for the April 2 city-township election in Granite City were selected Thursday night during a meeting of Mayor Davis' political group at the Carpenters' Hall, 23rd street and Washington avenue.

Most of the incumbent aldermen and Supt. of Streets William Warfield were endorsed by the group of 40 persons. However, those incumbents not endorsed were Second Ward Alderman Samuel Whitner and Fourth Ward Alderman Donald Parney.

No selection was made in the Seventh Ward, where Alderman Charles Meyer is not seeking re-election. Mayor Davis reported that ward was "left open."

City Atty. John Githoff of Madison presided over the meeting of the Granite City group.

university, and we need professional planners now.

"The mechanics of the commission's functions have yet to be worked out, and in about two years, the local area may be called upon to aid in financing the program which is to develop," Sen. Simon said.

**Services By SWIU**

The state participation will consist of services rather than monetary assistance. Southwest-

ern Illinois University is to make population and economic studies and compile statistics to be needed by the planners.

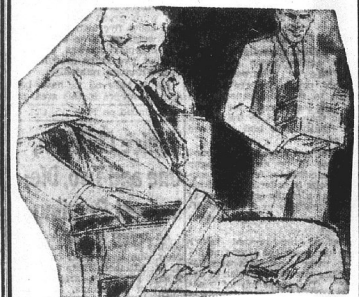

The federal grant, it was noted, gives support and sanction to start a coordinated planning program for the two counties.

"The SW Area Study Commission, which sought the federal funds, stressed this is the second and largest populated area in Illinois."

The commission is calling for zoning, greater cooperation between municipalities, coordinated highway development, consolidation of school districts, establishment of a coordinating agency for cultural activities, minimum housing standards, abatement of water pollution and solutions to recreational problems, Simon pointed out.

Preliminary reports by the commission are to be presented to the state legislature.

"The change from junior high school to the senior high school is one of great importance," GCHS Principal Lawrence C. McCauley has pointed out in letters urging attendance by ninth graders and their parents at a "sophomore night" meeting starting at 7:30 tonight in the school auditorium.

"The selection of courses, the variety of subjects offered, making certain the prerequisite subjects have been taken and are being taken to enter definite fields of learning, and many other problems need explanation and clarification."

Students who will enter GCHS next fall and their parents will meet first for general information from the administration. Then they will confer with faculty advisors to whom they have been assigned, to obtain specific information on courses and subjects. They also will have a chance tonight to talk with all other GCHS teachers, deans and department heads.

## GC Artist Designs Emblem For Downtown Retailers

### DOWNTOWN GRANITE CITY

**FOR MORE OF EVERYTHING**

An emblem for the Downtown Granite City Shopping Center Association has been designed by a Granite City artist—Robert P. Schwartz, 2905 Sunset drive.

The emblem features the memorial fountain at Memorial Park, Niedringhaus and Madison avenues, which is in the "shopping triangle" of the Association. Its slogan is "Shop Downtown Granite City For More of Everything."

Schwartz, 27, is a staff artist for a St. Louis art studio that does commercial work—layouts, sketches and lettering—for advertising agencies.

He said he "started from scratch" when commissioned by the Downtown Shopping Center Association and it required two days to do the job.

The emblem will be featured in the advertisements of the nearly 300 members of the Downtown Association and emblems and placards are to be made for display.

such as last summer's sports jamboree, the Madison county sequent celebration locally, work with Boy Scouts and the Elks Crippled Children programs and his promotion work with the Associated Retailers, Downtown Granite City Shopping Center and area fund drives.

**Aided Taxpayers**

Kent served in 1962 as treasurer of the East Side Levee & Sanitary District and was instrumental in having the district's surplus funds deposited in interest-bearing bank accounts, with a share being placed in local banks. He resigned the \$2000-a-year post last December in disagreement with the levee board over transfer of a portion of the funds to non-interest accounts at a bank outside the district. The interest savings to taxpayers was set at \$30,000.

Kent is assistant Sunday school superintendent, a member of the pastoral relations committee and assistant Sunday school teacher at Dewey Avenue Methodist Church. He sponsored a Little League boys' baseball team and has developed subdivisions in the Quad-Cities.

He is a member of the Cub Scout Pack 24 executive committee, and is a member of the Granite City Rotary and the Chamber of Commerce as well as being an inactive Jaycee.

Todoroff's nomination was announced Thursday in the C. of C. office.

Regular monthly reports will be made by the 20 members.

The Ambassadors make good-will calls on Chamber members to promote better relations within the organization and keep members abreast of Chamber activities.

based on his organization and direction of the junior high school youngsters of the Latin American Rhythm Ensemble which brought nationwide fame to Granite City with its good will tour of Mexico last year.

He also was lauded for participation in Quad-City events, such as the United Fund campaign and his work with civic organizations. He is a past president of the Tri-Cities Community Concert Association and a Boy Scout merit badge advisor.

In the field of music, he is a woodwind clinician for state contests and a lecturer on music education. He currently is working on a masters degree.

Todoroff last year was named the 1962-63 Who's Who in American Education, and was offered a teaching and research professorship at a college in Ohio as well as being offered a post in the Music Education division of the Mexican Department of Education.

He is a member of the Illinois Music Education Association, the Illinois Education Association, National Education Association and the Phi Beta Kappa honorary Music fraternity.

## \$3.9 Billion Payroll For Steel Industry In 1962

A record was set in the iron and steel industry during 1962 when hourly and salaried employees received a \$3.9 billion payroll, the American Iron and Steel Institute announced this week.

The new total, \$3,904,106,116, was nearly \$107 million above the 1961 aggregate payroll of \$3,797,140,973.

Another record was set when the total employment cost per hour worked by hourly employees averaged \$4.55 during 1962. This figure includes \$3.62 average payroll cost for each hour in employee benefits, pensions, insurance, supplemental unemployment benefits savings and vacation plan costs and legally required payroll taxes.

The 1961 total employment cost average was \$3.989 (including \$3.301 average payroll cost for each hour worked, plus 48 cents an hour in employee benefits).

Other highlights for 1962 included:

### \$500 Fire Loss Friday At Frank Lakatos Home

A short circuit in wiring in the basement was blamed for \$500 fire and smoke damage to the one-story frame home at 2135 Washington avenue, occupied by Frank Lakatos, about 2:45 p.m. Friday.

The blaze charred hardwood flooring, and there was \$300 smoke damage to the furnishings and contents, firemen said.

The Babington Plot was a conspiracy in 1585 to murder Queen Elizabeth and put Mary, queen of Scots, upon the throne of England. In 1587 Mary was beheaded at Fotheringhay Castle as a result of her participation in the plot.

### Harper Drops Out In 6th Ward

## One GC Candidate Withdraws Petitions

The field of candidates for Granite City's April 2 city-township election was narrowed by only one as the period for withdrawals closed at 5 p.m. Friday.

City Clerk A. L. Stover reported Harold L. Harper, 2710 Washington avenue, appeared at his office in the afternoon and withdrew his petitions for the Sixth Ward aldermanic post.

There now are 34 candidates seeking 11 city offices and seven seeking for the three assistant supervisor offices in the township. In the Sixth Ward, five other candidates remain in the running.

Opposition is slated for every office, with a city superintendent of streets to be elected, 10 aldermen to be named including two for two-year unexpired terms in the First and Third Wards, and three township assistants.

The candidates remaining in the races are: Superintendent of streets—William Warfield, incumbent, 2545 Warren avenue, and Tom Nesbitt, 2807 Warren avenue.

Alderman First Ward—Frank "Fritz" Barunica, 2109 East 19th street, two-year term; Estill V. Schmitt, incumbent, 2127 Fourteenth street, four-year term; William Dallas, 1810 Omaha street, two-year term; Charles W. Moerlein, 3116 Edwardsville road, four-year term; C. D. Massey, 2068 Fourteenth street, two-year term; John B.

Moos, 2012 Omaha street, four-year term.

Alderman Second Ward—Samuel D. Whitmer, incumbent, 2221 State street, and Bernard "Bunny" Matyska, 2340 Lincoln avenue.

Third Ward Candidates—Alderman Third Ward—Rufus LeMaster, incumbent, 2138 Benton street, four-year term; J. D. "Smiley" Bergfield, 2201 Cleveland blvd., two-year term; Adelbert J. Ambushel Jr., 1838 Delmar avenue, two-year term; Roy "Chicken" Polaris, 2133 Benton street, two-year term; Clyde "Buster" Boyd, 2231 Benton street, four-year term; Homer O. Brown, 2148 Benton street, two-year term.

Alderman Fourth Ward—Donald Partney, incumbent, 2215 Dewey avenue, and Liten Joyce, 2002 Bryan avenue.

Alderman Fifth Ward—Walter Nomm, incumbent, 2711 Cayuga street, and Curtis Elyvins, 2807 Denver street.

Alderman Sixth Ward—Samuel Shaeckoff, incumbent, 2914 Palmer avenue; Frank G. Nemeth, 2900 Saratoga street; William McGee, 3132 Davis avenue; Kenneth S. Hartberger, 2902 Pershing avenue; James "Red" Worthen, 3224 Aubrey avenue.

Seventh Ward Candidates—Alderman Seventh Ward—E. E. Roberts, 2627 Edwards street; G. H. Sternberg, 2622

Cleveland blvd.; Alex Rusick, 2711 Idaho avenue; C. Ross Halbrook, 2433 Iowa street, and James Kostoff, 2438 Madison avenue.

Alderman Eighth Ward—Frank Vesel, incumbent, 2330 Woodlawn avenue; Emerald E. Daves, 17 Terrace lane; Earl "Toodles" Thompson, 3805 Washburn avenue, and Arthur D. Roseman, 2120 Richmond avenue.

All of the city candidates have filed as independents with the exception of two—Nomm in the Fifth Ward on the Independent Democratic ticket, and Hartberger in the Sixth Ward on the Independent Progressive ticket.

With the exception of Seventh Ward Alderman Charles Meyer, all incumbent city candidates have filed for re-election.

Township Candidates—There were no withdrawals on the township side of the ballot. All seven candidates, including two incumbents, filed as independents. The third incumbent, John Graham, did not file for re-election.

Candidates who will appear on the ballot are: Carl H. Roach, 2640 Edison avenue; Robert O. Gaughan, incumbent, 2108 Edwards street; William B. Webb Jr., incumbent, 2044 Idaho avenue; Paul Kacera, 2556 Iowa street; John M. Windmeier, 2114 Washington avenue; Charles W. Voss, 1564 Garfield avenue, and Daniel Churovich, 2832 Edwards street.

### Mrs. Ackerman Is Hostess For Garden Club

Mrs. Elwood Ackerman entertained the Cloverleaf Garden Club Thursday afternoon in her home, 2908 State street. Luncheon at 12:30 preceded the business meeting, presided over by Mrs. B. C. O'Neill. Mrs. William Ogden read the club collect and the members responded to roll call by naming song titles containing the names of birds.

Announcement was made of the tenth annual meeting of District 5, Garden Clubs of Illinois, to take place at Central Christian Church, 2020 Johnson road, Feb. 28; and Mrs. John Sedwick, chairman, announced March 12 as the date of the annual installation party to be held this year at the new Holiday Inn at Sunset Hills.

The program for the afternoon included a talk by Harold Brown, director of parks and recreation now providing for the park board. An informal discussion on the flowers in the park followed.

The remainder of the program consisted of a piano selection by Donald Bloomquist, Chopin's "Nocturne in E Flat" and a comprehensive study on wildlife birds by Mrs. Leo A. Roman.

Also present were three guests, Mrs. Earl Bloomquist, Mrs. Roy Graham and Mrs. Kenneth Stueck, and the following club members: Mesdames F. J. Lisc, Robert McCauley, William Ogden, Helen, Roger Fritz, Roman and Sedwick.

### Theresa Lehmkuhl Is Honoree

Mrs. and Mrs. Richard Lehmkuhl, 4205 Maryville road, entertained with a roller skating party at a local rink Saturday afternoon in honor of the tenth birthday of their daughter, Theresa.

Refreshments were served later at the Lehmkuhl home to Patty Gult, Debbie Fuchs, Mary Lili, Jane Gabriel, Jane Parker, Mary Kay Scaturro, Andrea Resnick, Elaine Lockhart, Ann Bickhaus, Margaret Barth, Kathleen David, Beverly Gehling, Karen Musill, and her sister, Denise, and brother, Todd.

Friday evening Mr. and Mrs. Lehmkuhl held a family party in honor of Theresa and her brother, Todd, who was observing his first birthday.

Present were Mr. and Mrs. Wesley Lehmkuhl, Mrs. Jesse Smith and Mr. and Mrs. Charles Kleinman, the latter couple from Pocahton.

# Warriors Send Sectional Wrestling Tourn

## Win District Title; Eight Champions

Granite City high school district wrestling trophy here Saturday night, piling up 125 team points and qualifying 11 of its 12 entries for the sectional tournament in Wood River Feb. 22-23.

The Warriors claimed eight division champions and three runners-up in eliminations which drew entries from six schools.

**CHAMPS AND TROPHY.** Granite City's weight division winners are lined up but happy at the conclusion of district meet Saturday. Holding the spoils, IHSA district trophy, is 95-pound champ Paul Lipinski, who is flanked by Skip McMillan, 112 (left) and Rich Bledsoe, 103. Behind them (from left) are Larry Reynolds, 133; Denny Petroff, 145; Mike Fry, heavyweight; Tom Mofsky, 138; and Gary Forshee, 180.

Edwardsville, with two district champs and four second-place finishers, was second in team standings with 84 points. Wood River followed with 75 points. Roxana had 24, Bethalto 13 and Western Military 7.

Wrestling Coach Bill Schmitt, well on the way to developing a case of laryngitis after verbally abusing his champions from the sidelines in Saturday afternoon and evening matches, could look to these boys as representatives in sectional competition.

Champions: 95 — Paul Lipinski, 103 — Rich Bledsoe, 112 — Skip McMillan, 133 — Larry Reynolds, 138 — Tom Mofsky, 145 — Denny Petroff, 180 — Gary Forshee; and heavyweight — Mike Fry.

Runners-up: 127 — Tom Vasil, 145 — Jim Sumner, and 150 — Pat Causey.

**List of Injuries**  
A rash of injuries was Schmitt's chief concern Saturday night after the trophy presentation concluded the district program. Jammed and sprained thumbs were numerous, and more serious injuries included Petroff's shoulder strain, Vasil's twisted knee and a knee injury which kept him out of action.

Schmitt checked the injury and then decided to pass up a squad practice this afternoon. The day off also was a reward to the team's fine showing here.

The first two place winners in each weight class at Wood River this weekend will qualify for the state finals at Champaign March 2. Reynolds is the only returning defending champion at Wood River from the GCHS squad.

**Easy Road For Lipinski**  
Despite the grueling day, the Warrior grapplers found time to joke. Lipinski, the 95-pound champion, for his relatively easy victory after accepting the team trophy from GCHS Principal Lawrence McCauley.

"He didn't even work up a sweat," was the comment. "And Lipinski didn't. He drew a first-round bye, got another when an Edwardsville opponent was disqualified for not making the weigh-in time deadline, and pinned his opponent in the championship bout in just 57 seconds. The championship match results (both contestants qualify for sectional competition): 95 — Paul Lipinski (GC) pinned Jeff Willis (Bethalto), 0:57; 103 — Rich Bledsoe (GC) defeated Elmer Lewis (Edw.).

145: 112 — Skip McMillan (GC) defeated Roger Buchta (Edw.), 7:12; 120 — Bob Nelson (Edw.) defeated Don Morgan (W.R.), 5:0.

127 — Dan Morgan (W.R.) defeated Tom Vasil (GC), 9:2; 133 — Larry Reynolds (GC) pinned Paul Struharik (Rox.), 3:27; 138 — Tom Mofsky (GC) defeated Dale Farrington (Edw.), 7:5 in overtime; 145 — Bob Agles (Edw.) defeated Jim Sumner (GC), 10:3.

**King Barely Misses**  
Granite City's very nearly advanced all 12 wrestlers to the sectional level. The 120-pound third-place finisher, Dan King, was edged 2-1 in the semifinals by Bob Nelson of Edwardsville. The Warriors have never advanced to complete a round through district competition, but did make this year's total (11) in 1961 when they finished well in the state standings.

## Moore Scores 36, But Quincy Wins 60-56

Big George Moore poured through 36 points, but Granite City's bid to upset the fifth-ranked Quincy Blue Devils fell short in Quincy Friday night, 60-56.

The Warriors, leading by two points with four minutes left in a well-played contest, went cold in the race to the wire, missed four straight shots and were forced to foul their hosts, who went into a stall with a two-point lead in the final minute.

Behind it, but breathing life down the necks of Coach Sherill Hanks' club for the first two quarters, the Warriors caught the Devils' back in the third period after breaking out a full-court press.

Granite City went two up midway through the final period, but the out-of-control shooting of Larry Harold Knaphiele kept the margin from growing any larger.

**Wilson Connects**  
Forward Bob Wilson earned Quincy's biggest basket, the one which put the Blue Devils ahead again with a minute left. Granite City missed its scoring opportunity on the trip back down the floor, and the Devils stalled out the victory.

Coach Allan Sullivan, expecting the full-court press from Hanks' team, didn't see it. "I think Sherill was surprised, too, when we didn't press at the start," he said.

Instead, the clubs played a deliberate style, both using man-to-man defenses and working for good shots. Quincy shot of resulting 47% from the floor, while the Warriors hit 45%.

Graves and Knaphiele, both 6-4 and usually employed in a double post by Hanks, moved to the corners in the second half for some deadly pinning. Both had 23 points, with Knaphiele's free throws keeping Quincy ahead after the stall was called.

"George (Moore) opened a few eyes up north," Sullivan commented. Moore, who has scored 74 points in his last two games, hit 13 of 17 field goal attempts and 10 of 12 free throws.

But scoring help did not come to the 6-7 center in any large doses. Six points each were registered by Larry Lilley, Jim Warren and Joe Hiles. "Still, the boys did a really fine job of feeding George," Sullivan added.

**Alton Here Friday**  
Saturday, Quincy, now 21-2, romped past visiting Alton, 75-56. The Redbirds, upset winners over Granite City earlier, will play Evansville Saturday.

## Rams Defeat Red Bud 81-77 For 6th Win

Lincoln's Rams were called for 13 fouls, but their hosts, who overcame the disadvantage to score an 81-77 victory Friday night at Red Bud.

Tommy Turner and Percy Dillon of Lincoln each hit 27 points as the Rams came within two matching their highest total of the season. Lincoln finished 6-14 with one game remaining.

Two Ram starters, Billy Hatter and Calvin Dixon, fouled out of the contest, while four more of Coach Stan Lynch's players finished with four personals each.

Red Bud, which could not stay with the Rams from the floor, put through 31 free throw tosses to make the finish a close one after Lincoln had opened up a 42-34 halftime lead.

The Rams outscored Red Bud by 18 points away from the line, and took advantage of the 17 fouls whittled in their favor by sinking 19 free throws.

While the Devils were ending their month-long dry spell, Aviston was extending the district's longest win streak to 17 games. The Eagles, who have two non-conference contests remaining, haven't won since last Nov. 30.

**Finish In Fifth**  
Their 10th victory in 23 games enabled Venice to finish in fifth place in the final MCM standings. Champion Westlin (11-1) wound up its season Friday by dumping second-place Bunker Hill 75-58, and fourth-place Breeze defeated Livingston 57-46.

Venice limited the classless Eagles to eight field goals Friday night. "Our best defensive game in a long time," said Coach Hiles, "ended after the first quarter."

All the offensive punch needed was provided by deadeyed guard Jerry Cicio, who totaled 23 points on a 10-for-15 night from the floor. Venice also got 18 rebounds from 6-2 Paul Silton.

We looked a little listless on offense until the fourth quarter," Ohlendorf added. Venice clicked for 26 points in the final eight minutes, the team's best period of the season.

The flu bug has bitten members of the Red Devil club. Ohlendorf said, which probably accounted for a lackluster appearance Friday and has prompted the Venice coach to dispense with at least two afternoon practices this week.

**Lincoln District Opponent**  
Finishing with two more victories than they did during Ohlendorf's first season of coaching in 1961-62, the Devils are matched with cross-town Lincoln in the first game of the Venice district on Thursday, Feb. 28.

Venice's junior varsity, with 13 players getting into the game and 11 of them scoring, won the preliminary game, 36-19. The teams played alternate quarters.

Score by quarters:  
Venice 10 16 15 56 63  
Aviston 5 7 15 50 77

**St. Elizabeth, Sharks, Sacred Heart Win Friday**  
St. Elizabeth's downed the Sparks 43-15 and Sacred Heart was a 43-20 winner over St. Joseph's in the 7th grade division games of the park district's Junior High basketball league Friday night at the community center.

In the 8th-9th grade division, the Sharks ran away from St. Joseph's 69-34.

## Phillip's Record Finally Shattered

Andy Phillip's 20-year-old Illinois single game scoring record was broken Saturday by Dave Donovan of the Illinois, who scored 53 points against Indiana.

The Granite Cityan set the old record in 1943 when he scored 40 points against Chicago University while playing with the "Whiz Kids."

Despite Donovan's record-shattering performance Saturday night, the playoff round of the four-ranked Illinois, 103-100.

**Playoffs Tonight, Wednesday, Thursday In High School Loop**

First round playoffs in the park district's High School basketball league will be held at Nameoki school Wednesday night — after a four-day tie in the league's "B" division has been resolved in an 8-30 game at the community center tonight.

The Belmore Barbers and Twilight Optimists play in tonight's game, with the loser dropping out of the playoffs. The winner will play "A" division champion the Farmers at 8:30 Wednesday at the Nameoki gym.

The second game at 7:30 will pair Sim's Place and Tri-Way Village, while the "B" division winners, and Oleo's Confectionery meet at 8:30. The first round concludes Thursday at the community center with Ragan Lumber playing St. Bartholomew at 7:45.

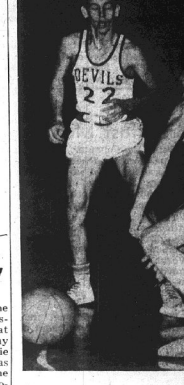

Playoff semifinals will be held Feb. 27 at Nameoki, with the championship game at 8:30 the same evening.

Final league games Thursday night at the community center saw the Bills stop St. Bartholomew's, 50-32. Glen DeGere of Tri-Way and Jerry Lusk of the Bills were the evening's leading scorers. Both paced the winning teams with 17 points.

The final High School league standings:

Team	W	L	TP	OP

## Tarris, Miss Lensing Win Dimes Pin Tourney

Flora Mae Lensing and Muncie Tarris were awarded top prize money yesterday afternoon at Bowland as women's and men's division winners in the March of Dimes bowling tournament conducted at Big Top Bowl, Madison Bowling Club and Bowland this month.

Miss Lensing hit a 703 handicap total to take top money of \$75 from among women competitors, while Tarris' handicap total of 740 pins gave him the men's first prize of \$100.

Cash awards also went to the second and third-place series rollers in the two divisions. Viola Mize (721) Peggy Hall (714), Nick Wakus (731) and Darwin Mueller (729).

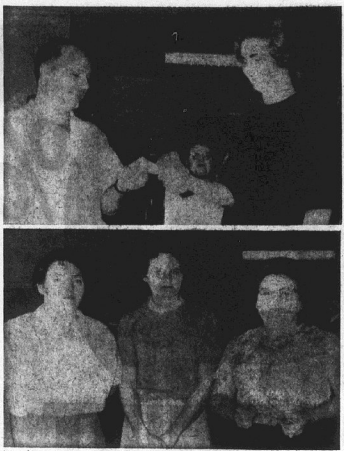

Trophies presented to the top tournament bowlers from each house went to Miss Lensing and Tarris, Bowland and Lynda Leggett and William Evans, Big Top.

**High Scratch Bowlers**  
Cash awards were presented to Mary Pashoff (588) and Max Legate (683), who rolled to high scratch scores in the tournament.

Children's division high scorers, each of whom received a trophy, were:

Bantam girls—Martha Wylie, Melody Tindall and Karen Brandt; bantam boys—Ricky Talley, Richard Timmons and Dave Evans; junior girls—Anne Nelson, Fran Alessandrelli and Betty Moser; junior boys—Mike Hoy, Sonny Stark and Darrell Helman; GAA girls—Marsha Galloway, Marilyn Bonedarg and Peggy Kirkpatrick.

Miss Marilyn Champion was the tournament director. Thirty percent of the tourney proceeds donated to the March of Dimes went for prizes, with 70% being fund.

## CVC Cage Tourney Opens Tuesday Night

First-round games in the Chouteau Valley Conference parochial school basketball tournament will be played tomorrow night at Venice high school, with Sacred Heart of Granite City playing St. Boniface of Edwardsville at 7 o'clock and St. Mark's of Venice playing St. Peter & Paul of Collinsville at 8:15.

The tourney moves to Madison junior high school Wednesday with top-seeded conference champion St. Elizabeth of Granite City playing the winner of Tuesday's first game and St. Mary's of Madison opposing Tuesday's second game winner.

Wednesday's winners will be matched in the finals at Madison JHS Thursday night.

## Bankers, GC Steel Roll To Victory

Granite City Trust & Savings Bank ran up a 95-60 final advantage over Midwest Air Products yesterday afternoon at the YMCA in Industrial basketball league competition, after Granite City Steel Co. had rolled past A. O. Smith Corp. 60-46.

Don Williams poured in 31 points and Dan Gravelle added 25 to the Bankers' total. Air Products got rolling in the second half, but a 15-point first half had put the losers in too deep a hole.

Travis Jackson's 18 points topped the Steelers in the first game. Like Air Products, A. O. Smith could not connect in the first half and trailed 31-17 at the intermission.

GO TO CHURCH SUNDAY

## Miss Sharon Cory

**Miss Cory Named Queen At 'Cupid's Delight'**

Miss Sharon Cory, daughter of Mr. and Mrs. Glen Cory of 2130 Delmar avenue, was crowned queen at the fourth annual "Cupid's Delight" dance Saturday night at Lincoln Place Community Center.

The event, sponsored by the Granite City park district girls' club, was attended by an estimated 350 people. Miss Cory was crowned by the retiring queen, Miss Janet Reader.

The new queen's attendants were Miss Sherry Duncan, Miss Cheryl Gilmore and Miss Rocky Rojas. Each girl was dressed in a formal and carried a long stemmed red rose. All received gifts from the park board.

## Venice, St. Joseph Reach Church Final

Regular season champion Venice Methodist and St. Joseph have earned berths in the championship playoff finals of the park district's Church basketball league.

Both won first-round playoff games Thursday night at Coolidge junior high school. St. Joseph's took Trinity Tabernacle in an overtime thriller, 68-65, while Venice ousted Tri-City Park Tabernacle, 63-55.

The finalists will meet for the playoff trophy on Monday, Feb. 25, at 7 p.m. on the Coolidge JHS court.

## Bowland Upset By Plaza; Playoffs Begin Wednesday

Plaza Pizza upset Bowland 74-65 in a double-overtime period Thursday night and second-place Sacred Heart picked up a full game on the Coolidge layout.

The division basketball leaders with a 65-60 win over West Side AC in games at Prather junior high school.

Terry Andrews sent home 30 points for Plaza, which came back from a 36-28 halftime deficit. The Hearts also had to rally after being down by three points at the intermission. Paul Mosby hit 21 for the winners and Pete Robinson 20 for West Side.

The season schedule will be completed tonight when Madison Bowling Club and Ernie & Annie's play at 7 o'clock at Prather followed at 8:15 by a Schlitz-Ragan Lumber game. At Coolidge JHS, Bowland and West Side AC meet at 7 and Plaza and Sacred Heart at 8:15.

Inter-division playoffs will begin Wednesday night at Prather when Perry Manigault's team meeting the fourth-place "B" division team at 7, and the third-place "A" team at 8:15. In the event of third-place and fourth-place ties in either division after tonight's contests, the flip of a coin will determine the final standings.

## Granite City PRESS-RECORD

Mon., Feb. 18, 1963 Page 7

## Major Projects Hike GC Building

**Total To \$127,251**

Permits for commercial and industrial improvements and additions totaling \$113,300 boosted Granite City building department total during the second week of February to \$127,251.

Permits approved by City Building Inspector Earl Bloomquist for the first half of the month amount to \$133,571, with two large industrial additions accounting for the major part.

Among permits approved last week were those for a \$30,000 bin house at the Union Starch & Refining Co. and a \$69,000 renovation and loading dock addition at the Tri-City Grocery Co.

The grocery firm's project, joining the present warehouse at 1801 State Street, is to be built by Tom Studebaker Construction Co. To be 55,775 feet, it will be of brick construction similar to that of the present structure.

One St. Bernberg & Co. is contractor on the Union Starch addition at 19th street and the new tracks. Of the total cost, \$13,090 was for structural steel delivered but not erected.

An additional permit for \$15,300 was issued for remodeling at the Libson Shops, 19th street and Edison avenue, to cover the balance of a renovation complex earlier. A permit covering \$10,000 of the work had been issued previously.

Other permits issued include one for a \$9431 remodeling project to a second floor apartment over Graham's Book Store at Delmar and Niedringhaus avenues. The permit was secured by Carl Graham.

John T. Sulte obtained a permit for remodeling costing \$7100 at 2218 Bryan avenue, and R. D. Webb received a permit for a \$400 carport and storage shed at 2423 Illinois avenue.

One zoning permit was issued. It went to Henry Hawkins for removal of a house at 2732 West 20th street, to cost \$50.

## Thief Hides, Steals \$3 At Community Center

A burglar who apparently hid in the Park District Lincoln Community Center on Niedringhaus avenue Thursday night, snatched an inner office door glass and took \$3-34 in coins from a money box in a desk over which he was taking a look and there was no sign of forced entry from the outside.

The building was locked at 10 p.m. Since the locked door can be opened from the inside, the thief was able to make his escape, police said.

## Jury Setting Continues

A city court jury today is hearing testimony in a law suit brought as the result of an auto accident by Doris Baer against Anne Hamilton. City Court Judge Fred P. Schuman is presiding as the two-week jury setting continues.

## Nameoki Board Expected To Act On Engineer Contract

After more than a month's study, with several revisions, an engineering contract for design of a sanitary sewer system for Nameoki township is expected to be acted upon Wednesday evening by the Nameoki town board of directors.

The proposal was submitted Jan. 2 to the board by the H. W. Lochner consulting engineer firm of Chicago and contains standard engineering fees for preliminary and construction plans.

The firm is to aid the township in making application for federal planning funds, and one of the changes in the contract was to make it void in the event the federal funds were not available.

Supervisor Harry Briggs said the contract has been prepared in final form for review by the board. The revised proposal also clarified fees for any special work in connection with the proposed project.

Briggs added the township's suit to test the constitutionality of 1961 state legislation requiring a referendum for future general obligation bond issues by the East Side Levee & Sanitary District is ready to be filed in the St. Clair county circuit court.

## Bill Introduced To Give County 2 On Levee Board

(Special From Springfield)

A bill which would require two of the five members of the East Side Levee and Sanitary District to be residents of Madison county has been introduced in the House of the Illinois General Assembly. It was offered under the joint sponsorship of the three representatives from the 53rd District which is comprised of only Madison county.

The three representatives are Lloyd C. Harris (D) Granite City, Ralph T. Smith (D) Alton, and Leland Kennedy (D) Alton. The district is comprised of territory in both Madison and St. Clair counties with all five members (presently all from St. Clair county) elected by the total vote in the territories of the two counties.

Representative Harris said that under his bill Madison county would obtain representation on the district board equal to 40% of the total taxes paid. Sen. Paul Simon (D), Troy, said he will handle the bill in the Senate if it is passed by the House.

Two years ago an identical bill, somewhat amended, was tabled on the closing day of the session.

## Butler Wins District Legion Speech Contest

Robert O. Butler Jr., representing Granite City Post 113, took top honors in the American Legion 22nd district oratorical contest at Collinsville Thursday night.

Butler, a senior, at Granite City high school, will go on to one of five division contests to be held in the state. Division winners will compete for the state title, with a national winner eventually to be chosen.

Other contestants in the district contest were David Week of Belleville, second; Fred Stupper, East St. Louis, third; and John Lamb of Collinsville, fourth.

All contestants were limited to the same topic, some phase of the Constitution of the United States. Judging was based on presence, poise and personality, composition and effectiveness, and clarity, oratory and power to convince.

## Mental Health Group Directors Meet Here

Wider public interest in the program of the Madison County Mental Health association was indicated at the meeting of the board of directors Thursday at the Granite City Trust and Savings bank. Sixteen board members attended.

Henry D. Karandjeff, president of the board, pointed out that interested persons may join the association by paying a membership fee of \$1 or more. The offices and clinics operated by the association are located on Route One, Godfrey, in the "old brickyard" owned by Northwestern Illinois University and at 1245 Nidringhaus avenue.

Reports submitted to the board indicated that at the end of January there were 223 open cases at the Alton clinic and 111 open at the Granite City clinic. The waiting list formerly totaled 80 persons but as recently as last October it was reduced to five at Alton and 14 at Granite City. This was largely due to increased efficiency and the securing of a complete professional staff, according to Karandjeff.

## Nicholas Veeder Named To Church Commission

Nicholas P. Veeder, president and board chairman of Granite City Steel Co., has been named to the Commission on Capital Needs of the 3,200,000-member United Presbyterian Church in the U.S.A. He will serve on the 100-member commission to secure \$102,000,000 over a three-year period for the church's capital needs.

The funds will be used for buildings and other facilities both in the United States and abroad.

The racoon is found only in North and Central America. It is common to the whole of the United States.

## Mrs. Mary H. Crenshaw Dies; Former Resident

Mrs. Mary H. Crenshaw, 79, a former Granite City, died Thursday afternoon at Christian Welfare Hospital, East St. Louis. She had been a patient there one week.

Mrs. Crenshaw lived in Granite City 25 years before moving to East St. Louis 10 years ago. She was born in Jacksonville, Ill. Survivors include a stepdaughter, Mrs. Chalmers (Virginia) Moore, East St. Louis; a sister, Mrs. Eleanor Foster of 2504 East 24th street; six grandchildren and 18 great-grandchildren. Mrs. Crenshaw's husband, James F., preceded her in death in 1947.

Funeral services were conducted Saturday morning at the Holy Angels Catholic Church in East St. Louis, with interment in St. John's Cemetery here.

An obituary notice appears elsewhere in this issue.

## Traffic Light Damaged

A traffic light at 20th street and Edwardsville road was damaged about 2 a.m. Friday by a tractor-trailer truck owned by Transamerican Freight Lines, St. Louis. Police said the vehicle was turning the corner onto Edwardsville road, bound for East St. Louis, when the right rear of the trailer went over the curb and knocked the light over. The truck was slightly damaged.

## 11,224 Feet of Sidewalk Installed by GC Crews

A report of street department activities during 1962 has been compiled by Supt. of Streets William Ward, who said crews laid 11,224 feet of new sidewalk as well as grading 804 feet of defective sidewalk.

The crews also graded 42 blocks of alleys, cut down about 500 trees and trimmed about 300 others.

In the sewer division, 18,000 feet was cleaned and another 26,000 feet was rodded. Street men also aided contractors in asphaltting 35 miles of streets.

## Employment Steady 3 Months—Slight Decline Expected

Quad-Cities employment has remained at a steady level during the last three months, but is expected to show a slight drop by the end of March, according to Maureen Thompson, Granite City office manager for the Illinois State Employment Service. January employment figures released by Thompson show 15,621 employees at 62 Quad-Cities firms surveyed. There were 15,619 last November, and the projected estimate for March is 15,584 employees.

The firms surveyed was up last month from January of 1962, when a total of 15,271 workers were reported. Firms surveyed include 24 manufacturing firms and 38 non-manufacturing firms. The slight drop in employment is expected to be felt in manufacturing and non-manufacturing. Thompson indicated that 11,721 workers reported at the manufacturing firms surveyed last month, estimated figure for March is 11,702. Comparable figures for non-manufacturing firms are 3900 and 3882.

**Primary Metals**  
The six primary metals industries surveyed showed a decline in each of the survey periods, continuing into the March estimate. From 9087 in January 1962, the number of workers dropped to 8819 last November, and 8750 last month. Projected estimate for March is 8708.

Employment in the single transportation equipment manufacturing firm surveyed showed a rise from 1215 a year to 1356 last month. The January figure is expected to hold about steady. Slight gains were made in petroleum refining and related industries, manufacturing of food products and communications and utilities employment.

Contract construction employment jumped from 160 in January 1962 to 306 last November, but dropped to 278 last month. One significant change from the figures of a year ago is the addition of 134 local government employees to the report in November, increasing to 145 last month. None were listed in January 1962.

**VALENTINE BIRTHDAY PARTY FOR TROOP 72**  
A regular meeting of Troop 72 of St. Elizabeth's school was held Wednesday afternoon at the school.

The meeting was conducted by the president, Mary Lett, who asked that one member of each patrol conduct a flag ceremony and give the Brownie Promise. A discussion was held on a proposed trip by the troop to a store. A final date will be set at a later meeting.

The remainder of the meeting was a Valentine and birthday party celebrating the birthdays of Jane Gabriel and Theresa Lehmkuhl. The mothers of the honorees provided cupcakes and soft drinks for the party.

Brownies attending were Margaret Barth, Rene Besta, Ann Bickhaus, Judy Calson, Kathleen David, Patricia Dooley, Debbie Fuchs, Jeannette Gibbs, Patty Guth, Patty Gragg, Raylene Homola, Jane Parker, Mary Pisel, Nancy Thompson, Andria Renack, Rhonda Roberts, Gayla St. Ivany, Mary Kay Seaton, Lisa Hartman, Vicky Kubelka, Theresa Friederich and Karen Muschall.

The next meeting will be Feb. 20 at the school.

**MRS. KRAUS HOSTESS TO TERRACE GARDEN CLUB**

Mrs. Warren Kraus entertained the Terrace Garden club Wednesday afternoon in her home, 3144 Colgate place.

Mrs. Arthur Meier, president, conducted the business meeting and opened a discussion on the number of members the club should have. A vote was taken, and the membership limit will be 15 instead of 20.

Several club projects were discussed, with final plans to be completed at a later meeting. A prize was won by Mrs. Andrew Orsey.

William Stalberg, a representative of Cornell Seed Co., spoke and showed slides on lawn care, turfs and rose care.

Following the program, the hostess served a dessert luncheon to the members in attendance.

Mrs. Leonard Cullen, Harold Dorries, Earl Glenn, William Miller, Andrew Orsey, Gail Phelps, Victor Renack, Robert Ruppel, Ivey Tost, Robert Zellerman and a new member, Mrs. John Kozar.

The next regular meeting will be held in the home of Mrs. Arthur Meier, 1612 Clark avenue, on March 13.

**WED OF MRS. MILES NIED IN BLOOMINGTON**

Mrs. Donna Jeanne Dorsey became the bride of John David Monkmann Saturday at 11 a.m. in a nuptial Mass at St. Patrick's Church in Bloomington, Ill.

The bride is a daughter of Mr. and Mrs. Russell Dorsey, 1327 West Mulberry, and the groom's parents are Mr. and Mrs. Cecil Monkmann, 306 N. Stillwell, all of Bloomington. Rev. George W. Casper officiated at the double ring ceremony before approximately 200 guests.

Patricia Kay Dorsey, sister of the bride, served as maid of honor, and the bridesmaids were Darlene Monkmann, sister of the groom, and Linda Mammenga. Kathleen Ann Dorsey was flower girl. Maurice Whelan was best man and Daniel Monkmann and Ronald Monkmann were groomsmen.

The former Miss Dorsey is the niece of Mr. and Mrs. Earl Miles, 4285 East Lake drive. Mrs. Ethel Dorsey, grandmother of the bride, is a sister of Mrs. Miles and both are former residents of Venice.

## New Girl Scout Program Subject Of Meetings Here

First meetings in a series to introduce the newly reorganized scouting program to adult leaders in District Four of the River Bluffs Girl Scout Council will be held here Tuesday, Feb. 26.

The series is to include three sessions. Attendance is required of all Girl Scout adult leaders, according to Mrs. Robert Schaefer, professional scout leader in charge of the program change. The training in District Four, which covers the Quad-Cities, is to take place simultaneously with similar programs throughout the River Bluffs Council. In all, about 2000 adult leaders are involved.

In District Four, 2085 girls are now members of 132 Girl Scout troops. They are served by 319 adult leaders and co-leaders, Mrs. Schaefer said.

All past presidents are being invited to attend.

The program of entertainment will be a gymnastic demonstration presented by the Granite City park district flyers.

Board members present for the meeting were Mrs. Evelyn Cross, Ed Lorton, Mrs. William McQuinn, Mrs. Sue Champion, Mrs. Arline Brinkmeyer, Mrs. Betty Feurich, Mrs. Beverly Foote and Mrs. Juanita Dulgeroff.

The next regular PTA meeting will be held on Feb. 19 at the school.

**GARDENAIRES CLUB ELECTS MRS. KOHL**  
The Gardenaires garden club held a regular meeting Thursday afternoon in the home of Mrs. Abe Shannon, 3201 Carlson avenue.

The business meeting was conducted by Mrs. Fred Cunningham, president, who asked each member to answer the roll call by naming outdoor women.

An announcement was made that the African violet show will be held March 23 and 24 at Shaw's Garden in St. Louis.

Following club announcements, an election of officers for the year of 1963 was held.

Those elected were Mrs. Charles Kohl, president; Mrs. John Farris, vice-president; Mrs. Darrell Edwards, secretary; and Mrs. Abe Shannon, treasurer.

The installation of officers will be held at the home of Mrs. Carl Blumenthal, 1636 Clark avenue, on March 14, which also will be the regular meeting.

The hostess used a unit theme with her decorations, with red and white as predominant colors. A floral arrangement of white delphiniums and red roses was made by Mrs. Farrell and Mrs. Shannon.

Mrs. Shannon served a dessert luncheon to the following members: Mesdames Jerry Abelter, Fred Cunningham, Stanley Young, C. E. Eads, John Farrell, Darrell Edwards, Charles Kohl and P. Cox.

## Venice To Raze Old City Garage When Moving Ends

The dilapidated city garage behind the Venice city hall will be razed as soon as all moving into the new garage is completed, Mayor John E. Lee said Friday night.

Street Supt. Fred Griffin told council members most equipment has been moved into the new building on Klein street just south of the railroad underpass.

Mayor Lee added that he hopes the old structure can be razed by early March. He said exterminators have rid it of rats so none will spread to other buildings.

Appreciate Street Lights  
Letters of thanks from Mrs. Andrew Brown, 801 Fourth street, librarian, and members of the New Salem Baptist Church at 208 Bremen road were read, expressing appreciation for new street lights installed by the city.

On recommendation of Police Committee Chairman William E. Griggs, the council approved an annual clothing allowance of \$75 for Frank DeWitt, chief of police.

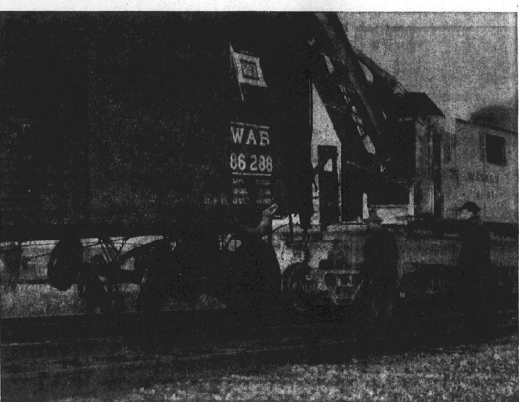

Fire Chief Michael E. Leathman told aldermen and city officials a number of Eagle Park Acres residents expressed their personal thanks to the Venice fire department last Monday for answering alarms in their community.

"If we hadn't been there Monday, several houses could have burned down," Leathman said.

Protection Necessary  
The Venice department has been answering alarms in the incorporated Eagle Park Acres community although it is not obligated to do so. Only one truck and a limited number of firemen are dispatched, so that Venice is not left unprotected, it was explained.

Mayor Lee said it is gratifying to know that Eagle Park Acres residents appreciate such response from the Venice department.

"It seems now a group of people out there are headed in the right direction in trying to get water service extended to their community," he said. "In the meantime, we're glad to be of all assistance possible."

DERAILED FREIGHT CAR which caused an 80-car freight train to block the West Pontoon road crossing shortly before noon Sunday. A Webash Railroad repair crew is lifting the car from its damaged rear trucks, which were replaced. The car went off the tracks at the Maryville road crossing, due to a burned out journal box. The repairs were made about a quarter mile south of the West Pontoon crossing.

## BROTHERHOOD IS DEMOCRACY AT WORK

Believe It Live It Support It

### NATIONAL CONFERENCE OF CHRISTIANS & JEWS

## Chairmen Cite Value Of Brotherhood To All

The annual observance of National Brotherhood Week has grown in importance to all Americans over the thirty-five years which have passed since the National Conference of Christians and Jews was first organized in 1928 for the purpose of combating discrimination of all kinds.

The American Trade Union Movement, founded as it was on the principle that all men are brothers, has worked throughout its history to eliminate all aspects of discrimination and prejudice based on the accidents of race, color, religion or national origin.

It is an obvious conclusion to make that economic gains which provide for a higher standard of living become considerably less meaningful to the recipients unless accompanied by the right to move freely and with dignity without artificial restriction, in the achievement of their highest potential.

We of the trade union movement welcome this opportunity to join with the National Conference of Christians and Jews in rededicating ourselves each year to the attainment of this goal and to the principles upon which our democratic society has been founded.

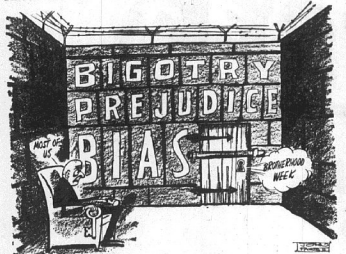

In a nation conceived in terms of human justice, brotherhood cannot remain merely an ideal to be professed, but must be fundamental to our national existence.

"For the past 35 years, the National Conference of Christians and Jews has served us to remind us of our heritage of freedom, justice, human dignity and the worth of each person as an individual."

This program has reemphasized our nation's democratic foundation and its Judeo-Christian theological principles. It has called attention to the need for human understanding in eliminating bigotry, fear and prejudice among men everywhere.

As chairman of National Brotherhood Week 1963, I feel that brotherhood is a living ideal that each of us can do something about. No man is born with prejudice; bigotry has to be learned.

### Knock On The Door

THE WALL... And our walls, not like it. It may not be Berlin. During the past 18 months, the wall built in Berlin, such has been written about it. And it is a wall that exists in the Quad-Cities and elsewhere. This wall is described in different words, such as prejudice and bias, but the meaning is the same. It is a wall.

It is a barrier which some individuals build up within themselves to keep out those they do not like. It is one of the ugliest blots on man's rise upward from his earliest beginnings.

A great deal, but perhaps not as much, is written about another wall, which is sometimes found in the Quad-Cities and elsewhere. This wall is described in different words, such as prejudice and bias, but the meaning is the same. It is a wall.

## 1962 Award Recognizes Civic Service

By James Stuart, Robert Todoroff

Recognition accorded two Coolidge junior high school faculty members selected to receive the 1962 Civic Achievement Award is well deserved.

When James Stuart, Granite City teacher and demolition advisor, was honored for 25 years of service to youth with a testimonial dinner attended by 300 persons, souvenirs of the occasion were inscribed, "Who touches a boy, in the Master's plan, shapes the life of a future man."

The verse gives a partial idea of the valuable role played by Stuart, who has just been selected for a new honor—a share of the Civic Award. Now in the 30th year, his skillful efforts have helped build the character of over 3000 Quad-City youth, many of them now middle-aged and active in all walks of life and all types of community service.

Serving as "dad" of the DeMolay chapter and affectionately known to all as "Uncle Jimmy," Stuart has devoted boundless energy, many thousands of hours, a considerable sum of money and an immeasurable amount of enthusiasm to athletic, social and ritual programs credited with providing useful and needed activities for young men during their impressionable years. He has been trying circumstances, which have included a depression and a war.

Named just a year ago by the International Supreme Council as the first "DeMolay Advisor of the Year," Stuart, a teacher, a leader, a mentor, has needed no new recognition; his reward is in the "devoted and effective service" cited at the dinner and the progress made by those whom he has counseled in their formative years. But his selection for the 1962 Civic Award is richly deserved, and in the finest tradition of the yearly recognition of outstanding citizens.

The same is true of the other Civic Award recipient, Robert D. Todoroff, whose development of the unique high school American rhythm ensemble has been acclaimed by the National Music Educators Conference, university music departments and the U. S. Department of State.

Accepting an invitation from the government of Mexico, students under Todoroff's leadership made a 19-day tour of that country last summer. The ensemble's obvious love for Latin music, its expert skill and its exemplary conduct made a tremendous hit with the Mexican people. The tour was long way toward improving national relations that had become strained in recent years.

The youthful representatives reflected high credit on the local community and put it "on the map" in Mexico and to the rest of the world. Their director was the individual most responsible for the highly successful venture in international good will.

## Brotherhood—Making Democracy

### A Part Of Our Daily Lives

Do Quad-Citizens really believe in and practice brotherhood? We are convinced that they do. But local and national observance of the 30th annual Brotherhood Week, Feb. 17-24, provides an appropriate time for each individual to consider how he can make the most of the ways in which he adheres to the slogan—"Brotherhood is democracy at work. Believe it; live it; support it."

Brotherhood is demonstrated in the Quad-Cities when these rights are safe driving; we recognize the other person's right to the road and to his life, liberty and pursuit of happiness.

Brotherhood is shown by thoughtfulness; for example, when we pocket an empty cigarette pack or throw it in a trash container, instead of adding to the litter on the street, we are helping make the community a better place for everyone.

It is shown by personal sacrifice, through aiding a fellow human in distress. It is shown by parenthood—rearing children of good will; respect and practice in our daily lives the ideals of democracy and religion teach youngsters the meaning of brotherhood, freedom and equality, for our actions speak louder than our words.

Brotherhood is demonstrated by military service, through fulfilling our responsibility to liberty. It is shown by voting; the man who votes cares about democracy. It is shown by respect for the law, which protects the rights of all. It is shown by work, which serves others and serves ourselves without regard to race, color or nationality; we are, after all, interdependent.

Brotherhood is not an abstract idea. It is the man and woman next door, down the street or in a neighboring community, state or nation. It is the democratic principle of democracy a guiding principle in our daily lives.

QUESTIONS LEAVING CITY COUNCIL UNEXPLAINED

The unexplained \$25,000 question—really think the public is not yet well enough informed on this.

No set figure was given as to the possible cost of completion. No figure was given on the tax each individual property owner would be forced to pay.

In reference to the \$50,000 already spent for engineering service in the past, it was stated in the Press-Record Jan. 10 that \$69,500 was spent for engineering services by the city.

Five sanitation trucks and 10 men—by combining the cans, refuse and debris—will be the company does with proper supervision would keep our city as clean as granddaddy's.

We are not an all-American first-class city but a one-horse town with a lily-gold administration.

They follow the lead goat on the street and lead the herd there is better grazing ahead. "Just follow me, I will lead you to greener pastures," Granite

## Groups Urge Zoning Adoption This Week

Contact with County Board members and attendance at Wednesday's board meeting, where possible—is being urged by organizations in the Quad-Cities throughout Madison County. The issue is proposed adoption of a zoning ordinance relating to unincorporated areas of the county.

One of the groups urging immediate enactment of zoning is the Tri-Cities Chamber of Commerce, whose president, Chester L. Baker, points out that the decision is "of utmost importance" to local residents.

"For years your Chamber has worked for this urgently-needed program, considering it an absolute must for our county and the Tri-Cities area hopes to reach the maximum of its potential development. Many similar communities have had the advantages of zoning for over a century to go to school right here at home."

Adoption of this program, which would assure orderly growth of the area, is a fundamental necessity if we are to be the biggest and the best for our children. Our Industrial Development Committee tells us it is almost impossible to interest industrial plants in sites not protected by proper zoning.

"The county's future status, economic security, tax base and growth depend upon zoning land for its best use."

"This year, SUI is seeking another \$25 million from the Illinois General Assembly for the second stage of development of the new campus. This will be difficult to get if the first stage is not under way. The extra \$25 million would be certainly be a tremendous shot in the arm to our area's economy."

"Passage of the zoning ordinance now will hasten the day when the university can afford hundreds of employees to its payroll and provide facilities for thousands more students to go to school right here at home."

## Trio Riots, Sets Fires And Floods County Jail Friday

Three men slated for trial in the circuit court today may face additional charges for rioting in the county jail—damaging the plumbing and equipment—on Friday. Deputies, state troopers, and Edwardsville firemen responded to jailers' calls for help.

The trio included two Granite Cityans, Jack McLean, 23, of 2536 Center street and Kenneth Boelling, 24, of 2917 Roosevelt street, who were awaiting trial on two counts of burglary and theft, and Robert J. Bordon, 20, of Collinsville, who with McLean, is facing a Venice charge of unlawful use of weapons. Boelling also faces a separate charge of burglary and theft.

Flood Second Floor  
The trouble began shortly before 10 a.m. when the prisoners plugged drains and toilets and turned the water on, flooding the second floor. They also had broken a shower head, light bulbs, broom and mop heads, smashed a garbage can and threw paper on the floor.

The three were in a cell-lined corridor used for prisoner exercise. Deputies found them armed with pieces of pipe and from the wall and shouting curses.

Deputies and state police who were called to assist subdued the three and put them in separate cells.

About noon, a deputy taking food to prisoners discovered the three had set fire to a pile of mattresses in the corridor. The mattresses had been removed from the cells as a precaution against further damage. The three apparently flicked matches or lighted papers through the bars onto the mattresses which were on a table. They also had stuffed paper behind a radiator and set it afire, damaging woodwork.

Edwardsville firemen extinguished the fire. McLean was treated for smoke inhalation. McLean recently completed a 90-day term for taking money from a Granite City laundromat coin changer by substituting slugs for quarters. Bordon was sentenced in Granite City Feb. 13 to a one-year term in the county jail for damaging vending machines in another Granite City laundromat.

## 6 File For 4 Venice City Council Posts

Two additional filings Saturday have increased the number of Venice city election filings to six. Four council positions are to be filled.

Edward Mason filed to oppose Arthur Means, incumbent, in Third Ward and Wilson McCaskill filed to oppose Oscar King, incumbent, in the Fourth Ward. James Miller, First Ward, and George Mangiaricini, Second Ward, also are seeking reelection.

## Chain Reaction Crash On McKinley Bridge

James M. Hardin, 34, of St. Louis lost control of his auto on the east end of McKinley Bridge about 4:30 a.m. yesterday, causing into the railing. He was driving west.

Venice police said an auto driven by Robert H. Reinhardt, 25, of St. Louis, then stopped for the accident and was rammed from behind by a third vehicle, which fled the scene.

Hardin, charged with destruction, police pursued and arrested him. He was charged with driving license as bond to appear at a hearing at a later date.

## Two Soldiers Charged

Called to American Legion Post 799 in North Venice at 12:40 a.m. Saturday on a report that Mario Robertson, 20, of the Army Depot was breaking glass there, police pursued and caught him and a companion on Mercedia street. Robertson was charged with fighting, peace disturbance and resisting arrest, and Pedro Colan, 20, Depot, was booked on disturbance, resisting arrest and carrying a knife. They were held pending release on bond.

## Lions Meet For Dinner

Thirty-five members of the Madison Lions club attended the weekly dinner meeting Thursday at the Sportsman's club. There was a program. Vice-president Jerry Maers presided. Rollo Richison of Granite City attended as a guest.

## 1957 Auto Stolen

A 1957 white over blue, four door sedan belonging to John Walker, 2008 East 24th street, was stolen Saturday night off the lot in the 1800 block of Edison avenue.

City laundromat while trying to tie coin boxes.

Sheriff Fraundorf, who is to confer today with State's Atty. Dick, discloses on filing additional charges, blamed the riot on the dilapidated condition of the jail. Conditions are bad and in the 90 years it's been in existence only piecemeal repairs have been made.

"That was done just to keep the place from falling apart. Just as long as some of the locks on the cells are broken. The wiring is bad. So is the plumbing. It would be better if the city magistrates would sentence prisoners to jail cells rather than here. Every jail in the country is better than the county's," Fraundorf added.

ue against school members, other political observers note.

**Big Attendance Sought**  
Foes and proponents are urging contact with the supervisors and assistant supervisors as the issue moves toward a climax. Action at the board meeting also is being urged.

"If those who favor zoning don't make a good showing Wednesday, it could be disastrous," one board member told the Press-Record in recalling the poor turnout at some of the earlier hearings conducted by the County Zoning Commission.

In Chouteau township, one petition urging passage and signed by 50 property owners has been sent by registered mail to Troedger and other petitions will be presented to him early this week.

The Taxpayers and Property Owners Committee of Mitchell has sent letters to 100 residents of that area pointing out the "urgency of our land law is vital."

**Protection For Homes**  
"It is most important to you residents in Chouteau township where there is an upsurge in new homes, beautiful brick homes, if you please, that your property investment is protected."

It is hoped that your support for progress and growth and protection of your valuable investment in your home will be received.

Among citizens not convinced that zoning is essential, chief among them is the lack of knowledge of what is proposed and a fear that taxes might rise.

The 201st Continental Congress pointed out that zoning will not be costly, but just the opposite: by encouraging new industry in order to provide jobs and broaden assessment base, zoning can lead to greater sharing of the tax burden, commissioners explain.

Virtually all of the objections raised led to revisions before the final text of the ordinance was adopted. What is described as the minimum necessary to prevent future undesirable developments will not have harmful adjacent property.

## Bruce Eaves, 70, Dies At Home in Madison

Bruce Eaves, 70, of 1435a Third street, Madison, died at 11 a.m. Saturday at his home. He had been in poor health and was under medical care, and came to Madison three weeks ago from Gary, Ind. He was born in Farmington, Mo.

Survivors include a son, William Eaves, 40, of 21st street; and three daughters, Mrs. Eva Lingard and Ole Sanders, both of Gary; and two grandchildren.

Funeral arrangements appear in the obituary column.

## Fred Ohm, 69, Dies Suddenly in Florida

Fred Ohm, 69, who moved from Granite City to Florida ten years ago, passed away suddenly in Coral Gables, where he operated a business. He formerly was a salesman at a local auto store.

Survivors include his wife and a sister, Mrs. Walter (Nora) Williams of Granite City. Funeral services and burial will take place in Florida this week.

## Retired Namekoi Farmer, Henry Fresen, 77, Dies

Funeral services were held Saturday at St. Mary's Hospital, East St. Louis, for Henry Fresen, 77, of Namekoi township. Burial was in Mount Hope Cemetery.

Mr. Fresen was dead on arrival Friday at St. Mary's Hospital, East St. Louis. He suffered from a heart condition the past five years. His wife, Ida, died in 1919. Mr. Fresen was born Pleasant Ridge, Ill. He lived in Namekoi township the past 10 years. He was a retired farmer.

**Undergo Surgery**  
The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: Terry Rigby, 2237 Ohio avenue; Geoffrey Lux, 2676 East 27th street; Larry Shilt, 2115 Dawn avenue; Daniel Nemech, 2734 Myrtle avenue; Elaine Griffin, 6702 Kirkpatrick Homes; Mike Holik, 1940 Benton street; Rosemary Peterson, 1218a Oriole street; and John Schmacker, Collinsville.

## \$400 Theft From Home Along Route 162

About \$400 in cash was stolen from a bedroom drawer at the home of Carl Evans, Box 83, Route 162, it was reported Saturday. The sheriff's office said a rear window of the house was ransacked. Nothing else in the house was disturbed.

Sheriffs took about 200 men and smashed a cigarette machine in the service station of Hubert E. Patch, 301 East Chain of Rocks road, it was reported this morning to the sheriff's office. Nothing was taken from the machine.

Granite City police are investigating a strong-arm robbery reported Friday night. William Nash, 21, of 955 Grand avenue, was taken to St. Elizabeth Hospital by ambulance from South street and Washington avenue.

He told police he appeared to have been seduced and robbed. He said police had been drinking with two other persons in the 1800 block of Edison avenue. He said the two sport-type henchmen of his 1963 auto was reported to police early today by Robert Doneff, 2734 Michigan avenue. He said the theft occurred in the 2500 block of Edison street.

**Traffic Arrest**  
Venice police charged James Blackston, 2167 Edison avenue, with careless driving Friday afternoon. He was released on his own recognizance pending a hearing.

face and right arm, and a passenger in the car, Karen Reeves, 17, of 4391 Revell lane, was uninjured.

## 3 Hurt in Madison Crash

Cuts and abrasions were suffered by three of four crash victims in an auto which crashed into a parked auto in the 800 block of Madison avenue about 2:30 a.m. Sunday.

Injured were the driver, Michael Modrusic, 21, of 711 Lee avenue; Charles Thomas, 20, of 1701 Fifth street; and Ernest Bull, 18, of 2414 East 24th street; while Sue Smith, 17, of 2509 Pine street, was uninjured.

Modrusic told police he was traveling north and swerved to the right when traffic slowed. His auto struck the parked car of Thomas Oliver, 818 Madison avenue. Modrusic was charged with careless driving.

**Two-Auto Crash Injures Two**  
Mrs. Eunice Harper, 36, of 3137 Ash avenue, and her daughter, Denise, nine, suffered contusions and cuts about 10 a.m. Sunday in a two-auto crash at 25th street and Grand avenue. The two autos were taken to St. Elizabeth Hospital.

Police said Mrs. Harper was driving north on Grand while the other motorist, Lester C. Woodmore, 64, of St. Louis, was going east on 25th. He was charged with failure to yield right-of-way.

**2 Hurt On Fehling Road**  
Two persons were hurt about 9 o'clock last night when their auto crashed into a parked auto in the 3200 block of Fehling road.

Treated at St. Elizabeth Hospital were the driver, Pete Becerra, 24, of 2037 Iowa street, who had skull x-rays, and Carmen Ballesteros, 39, of Alton, who suffered cuts.

Police said Becerra was driving south and lost control, hitting the parked auto of George K. Pellett, 3237 Fehling road.

### Education Cost

(Continued from Page 1.)

also also is subject to innumerable interpretations relating to various types of classes and various teaching assignments.

**Size Of Faculty**  
Including large classes, kindergartens and small classes, like those for handicapped, but excluding administrators, nurses and full-time librarians, teaching staffs are listed as totaling 498 in the Granite City district, 98 in the Madison school system and 46 in the Venice district.

Enrollments are 12,600 to 12,700 in Granite City, 2874 in Madison and 869 in Venice.

Using these totals, average classes contain 26 in Granite City, 30 in Madison and 19 in Venice.

If the Granite City average was increased to the Madison per class, from 26 to 27, an additional 488 children could be accommodated. Or, stated another way, there could be 18 other teachers, freeing more than \$400,000 in salary of the 471. A reduction by one would add 18 teaching positions.

Figures do not take into consideration any complicating factors, which include the distribution of the enrollment and buildings.

Largest Granite City district classes this year are at Mitchell, where the number of families is expanding and a six-classroom addition is being built. The addition has been designed to permit later construction of even more rooms.

**One Of Many Aspects**  
It is not suggested here that class size should be raised on lowered. Purpose of the illustration is to show that many aspects of operation of the school system have an interested effect on how far school finances can be stretched.

Proposals in the advertisement for both reduced class size and increased teacher pay indicate that the number of teachers would have to rise, unless non-teaching costs could be reduced or unless present basic services could be eliminated.

The steady enrollment growth, and the resulting increase in class size factors, serves as an additional stimulus to spending money on the Madison school district currently spending about \$400 a year to educate each pupil.

Now that maximum authorized tax rates of \$1.75 for education and 25 cents for building have been reached, financial trouble requiring new solutions would appear to lie ahead—unless the built-in budget growth of \$240,000 is halted. Perseus of the future enrollment prospects gives the impression that the growth will end.

**Assessment, Outside Aid**  
One facet: the school could look the outlook—and has aided school finances in the past—the assessed valuation.

However, the school district has been advised that its next assessment total is expected to be lower, rather than higher. Decreases will more than offset increases, the assessor has reported.

State aid and federal aid remain unknown quantities and are assumed, in most financial projections, to continue on about the same basis as in the past. Both will be affected by legislation enacted later this year.

## Two Fined Saturday In Venice Police Court

Gerald C. Dawson, 23, of St. Louis was assessed fines and costs totaling \$40 by Venice Police Magistrate Wesley Edwards Saturday on charges of drunkenness and disorderly conduct filed Feb. 10.

Edwards fined James Blackston, 28, of 2167 Edison avenue, \$5 plus costs on a careless driving charge filed Friday.

### Mrs. Bush Is Honored By PTA At Mitchell

The Mitchell PTA observed Founders' Day at a monthly meeting Thursday evening. Mrs. Doris Smith, president, conducted the business meeting and Boy Scout Troop 41, sponsored by the unit, opened the meeting.

Mrs. Smith announced that two representatives from Mitchell school will attend the appreciation dinner to be held Feb. 28 at Granite City high school.

A panel discussion was held on improvements to the school system and teaching in the past 30 years. Bob Baker served as moderator and panel members were Harold Briggs, principal of Mitchell, Mrs. Ann Bush, retired teacher at Mitchell, Mrs. Evelyn Kulenkamp of the present teaching staff; Mrs. Millie Moss retired at Mitchell PTA benefits to the school.

The guest speaker was Dr. E. H. Theis, who covered a 30-year period on diseases and medical treatment, specifically such ailments as whooping cough and diphtheria, and considered killers and now rare.

He listed cancer and leukemia as ailments that have not been treated but on which great progress in treatment has been made.

Mrs. Ida Hanfield, program chairman, explained a candle-lighting program while the president lit candles of blue and gold. Mrs. Smith noted that the Mitchell PTA was organized in 1929 and that Mrs. Ida Hanfield and Mrs. Edith Bush were charter members. Mrs. Bush presided at the first meeting.

Other presidents present were Mrs. Ruth Lahr, who served as president in the unit and she and Mrs. Hanfield, together with Mrs. Ruth Lahr, were given certificates as past presidents.

Refreshments were served by the mothers of the second grade rooms.

## School Legislation Reviewed By Rep. Smith

State aid per pupil is not likely to be increased in this biennium, State Rep. Ralph Smith, majority whip, said in addressing the Madison Teachers' Federation dinner Saturday night at Madison high school. He cited the problem created by steadily increasing enrollment.

Smith said he will introduce a bill authorizing collective bargaining by civil employees. He said he sees little chance for passage of a bill providing for merit rating of teachers, and expressed doubt that county superintendents of rural counties will be eliminated.

Local 763 President Porter Cawly presided and spoke on "Professionalism." Madison School Board Pres. John Bell-off welcomed the group and County Supt. Wilbur Tyndie made introductions. American Federation of Teachers Vice-President William Smedecor recognized locals which were represented, and former State Supt. George T. Wilkins spoke briefly. Rep. Lloyd C. Harris was a guest.

# Fined As Disorderly

Landon Fisher, 31, of Granite City and Ronald Boyd, 29, of Venice, pleaded guilty to disorderly conduct last week before Police Magistrate William M. Traband of Edwardsville. They were fined \$25 and costs each.

(They admitted being intoxicated and sleeping in their auto on a rural road where they were arrested by state police.)

# Levee District To Open Project Bids Next Week

Sealed bids on the third and fourth sections of a sanitary trunk sewer line project proposed by the East Side Levee & Sanitary District will be opened at levee district offices in East St. Louis at 10 a.m. next Monday.

The project, designed to serve Cahokia and portions of Centerville township in the district's pollution abatement system, is being financed by a \$1,300,000 general obligation bond issue. Opening of bids was originally scheduled for late December and early January, but was held up when the legality of financing was questioned and a temporary injunction was granted preventing the sale of the bonds.

MODEL OF PROPOSED SIU CENTER. Superimposed on a summertime scene of Southwestern Illinois University's new campus between the Quad-Cities and Edwardsville is this artist's conception of the proposed university center. A \$2,250,000 college housing loan to finance construction was approved Saturday by the Community Facility Administration of the Housing and Home Financing Agency. SIU will supplement the loan with \$2,225,000 to be raised by the sale of revenue bonds. The three-story building will provide dining facilities for the entire campus student body and will house the university stores, lounges, administrative offices, student organization rooms and recreation areas. The architect is Gyo Obata of East St. Louis.

# Quad-City Square Dancers Invited To Nat'l. Meet

Preten and teenage square dancers from the Quad-Cities have been invited to give exhibitions at the 12th National Square Dance convention in St. Paul on June 20-22. It was announced today by Bob Boyd, square dance instructor. Boyd is seeking to raise \$2000 by public subscription to take a group of about 32 Quad-City youths to the convention. He pointed out the invitation was an honor, in that normally it is required that groups make application and meet certain specifications.

To raise the funds, a group known as the Checkerboard Squares Boosters is being formed, and donations of \$10 will be sought. Chairpersons for the trip will be Mr. and Mrs. Bob Boyd, Mr. and Mrs. Ray Sharp and Mr. and Mrs. Jack Ross.

Ages 10 To 17 The group is known as Boyd's Checkerboard Squares and com-

sists of children ranging in age from 10 to 17. The older children will perform a Viennese Waltz under "black light" and the entire group will do a hot hash square dance exhibition.

A tentative list of dancers to make the trip includes Gary Greene, Suzanne Boyd, Gary Wright, Judy Walton, Jimmy Melton, Judy Sharp, Martin Wright, Evelyn McElroy, Ervin Konkel, Carolyn Bertacchi, Johnny Lasky, Carol Loman, Mike Spears, Earline Schuber, Robert Harshany, Christine Stroud.

James Mang, Delores Ruder, David Slone, Linda Claser, Philip Lamm, Sherine Boyd, Tom Mike, Jackie Ross, Bruce Evans, Alexia Cochrane, Ricky Couch, They Mcford, Steve Nitzinski, Beverly Sparks, Mike Nitzinski and Vicky Couch.

Contributions to the trip fund will be accepted by Mrs. Ross, who lives at 2871 Washington avenue.

# '63 Feed Grain Signup Program Under Way

The sign-up for the 1963 feed grain program now is under way in the ASCS County Office, Edwin C. Rothmeier, chairman, Madison County Agricultural Stabilization and Conservation Committee, has announced. The sign-up period started Feb. 22. The program covers the three major feed grains of corn, grain sorghum, and barley which are the same crops included in the 1962 program.

In general, the chairman said, provisions follow those for 1961 and 1962 crops by giving feed grain producers an opportunity to participate in the program by reducing acreage at least 20% and devoting them to an approved conserving use. By participating, they will receive diversion payments and price-support payments, and they will be eligible to take part in the price-support loan program.

One important change from programs for previous years, Rothmeier explained, is the price-support payment which participating farmers will receive on the normal production of the acres planted to the feed grains in 1963. The payments have been set at 18 cents per bushel on corn, 16 cents per bushel on grain sorghum, and 14 cents per bushel on barley. Unlike the regular price-support loan, the rates for the price-support payments will be the same throughout the country; they will not vary by counties.

Also, this year, the price-support loans or purchase agreements will be available to program participants on the entire crop produced on the 1963 feed grain acreage; in 1962, the loan was restricted to the normal production of such acreage. From now on, the chairman believes, county office people will be increasingly busy explaining the programs to farmers and helping them fill out the necessary forms indicating their "intention to participate" in the 1963 feed grain program. He urges interested growers to visit the office soon, and thus avoid last minute delays.

Information meetings will be held in Alhambra, St. Jacob and

# Two Sentenced In JP Court In Edwardsville

Two Granite Cityans are on probation after convictions in the Edwardsville justice of the peace court last week.

Justice of the Peace Earl L. Vaughnauhs fined Louis Lester Rushing, 37, of 2542 U. S. Route 67a, \$100 plus costs and sentenced him six months in the county jail. Rushing pleaded guilty Saturday to disorderly conduct on the complaint of Frances Carol Dawson, 2501 Edwardsville road. The jail sentence was stayed on payment of the fine plus court costs.

A condition of probation was that he not disturb the woman again.

Eva Lane, 37, pleaded guilty to a charge of deceptive practices in regards to the issuance of \$212 in worthless checks to United Stores of America, Collinsville road. She was fined \$500 and sentenced to six months in the county jail. The sentence was stayed on condition she pay \$200 fine plus court costs and make restitution to the store.

Edwardsville near the end of February. The exact dates and locations will be announced later.

## Zoning Heads

### Agenda For County Board's Meeting

The county's proposed zoning ordinance will be the major item of Wednesday morning's meeting of the county board of supervisors' agenda, it was reported Friday by County Clerk Miss Eulalia Hotz.

In addition to scheduled presentation of a resolution for adoption of the zoning ordinance, there also will be resolutions to appoint County Building Official Charles Engeman as zoning enforcement officer, to set fees for zoning appeals, variances and amendments, to set a salary for a mapping supervisor and to appoint a new supervisor for the mapping department.

The agenda also includes a recommendation to accept a bid from Gentman Chevrolet Co. Highland, to buy a sheriff's auto for \$2028; financial reports of the county treasurer; semi-annual reports by the county, probate and circuit clerks and the recorder, the JP and magistrate reports for January, and a petition to vacate the Garden of Faith at Sunset Hill Memorial Gardens cemetery.

### CEF Week Program Held At Stallings Church

A special program on Child Evangelism Fellowship was held Sunday evening at the Bethel Community Church, Stallings, by Dr. Robert Rosenthal of Highland, who aided the pastor, Rev. Robert Within.

Child Evangelism Fellowship week is being observed through Feb. 24 as proclaimed by Gov. Kerner. Miss Isabelle Holmgren, Collinsville, director of CEF for Madison and St. Clair counties, said programs will be presented in other churches throughout the two counties.

During 1962, there were 1259 children enrolled in home Bible classes in the two counties. CEF is non-denominational with missionaries throughout the U. S. and in 60 foreign countries.

### Bedsprings Lost

Mrs. Louetta Mock, 2943 Marshall avenue, reported today she had lost a pink and white rose-ette bedspread in the indoor-mat at Bellemore Village shopping center yesterday afternoon and is seeking its return.

### Returns From Hospital

Mrs. Bernice Grimm, 2912 Iowa street, returned Sunday from DePaul Hospital, St. Louis, where she was a patient for ten days while recovering from major surgery.

### LADIES' AUXILIARY VALENTINE PARTY

The ladies' Auxiliary of the Mitchell volunteer fire department held a monthly meeting Wednesday evening at the home of Mrs. Ida Hanfelder on Route 67.

A valentine party was held in conjunction with the business meeting.

Mrs. Dorothy Williams, president, presided over the meeting. Mrs. Hanfelder and Mrs. Edna Paul were hostesses.

The Hanfelder home was decorated in red and white and a valentine theme was carried out in the appointments of the table and the refreshments served.

Those present were Mesdames June Allen, Geneva Gibson, Martha Ann Katzman, Shirley Pasley, Flossie Sands, Vera Wythers, Dorothy Williams and the hostesses. Plans were made to hold the next meeting March 13 at the Fire Hall.

### VALENTINE THEME AT BIRTHDAY PARTY

A surprise party was held Wednesday evening at the home of Mr. and Mrs. Louis Lasiter, 117 Lenox avenue, honoring the 19th birthday of their daughter, Cindy.

A valentine motif was carried out in the table appointments and the luncheon.

The evening was spent at games. Those present were Miss Betty Byrnes, Miss Maria Elena Pardo, Miss Phyllis Richter, Miss Joan Schumacher, Mrs. Leslie Thurston, Mr. and Mrs. Lasiter and the honoree.

### VALENTINE PARTY AT BUNCH HOME

Mrs. Barbara Bunch entertained Thursday afternoon with a St. Valentine party at her home, 701 East Chain of Rocks road.

Red and white decorations provided the color theme and there were games for the children.

Refreshments were served to Mrs. Johnnie Williams and children, Monty and Darrel, Mrs. Gladys Green and son, Brett, Mrs. Laura Papp and children, Johnnie, Mike and Kelley, Mrs. Leila Hendrix and children, Chris, Mike and Kathy, Mrs. Marilyn Canton and children, Colleen, Carrie Sue and Barbara, Mrs. Erna Dolan, Kevin Miller and Marcy and Tony Bunch.

**INCREDIBLY STRONG...** No fiber can outwear nylon. And no ordinary nylon carpet fiber can beat the strength of Cumuloft nylon, a continuous filament textured yarn that retains nylon's full strength.

**RICHLY LUXURIOUS...** You have to feel the lush depth underfoot! You have to see the fabulous new depth and clarity of color! Carpet of Cumuloft nylon is like no carpet you've ever owned.

**RESISTS FUZZING AND PILLING...** Cumuloft nylon is a continuous filament nylon, with no short loose fibers to pull up or fuzz.

**RESILIENT...** Step on it. Jump on it. Carpet of Cumuloft nylon keeps coming back for more! The resilient nylon yarn springs back, resists matting and retains its luxurious texture.

**EASY TO CLEAN...** Because the smooth, non-absorbent Cumuloft nylon yarn resists dirt and dust, soiling stays right on the surface where you can whisk it off with the vacuum cleaner.

**FREE ESTIMATES:** Just call TR 7-6000 and we will have our representative call at your home with samples of the latest patterns and colors of MOHAWK CARPETING. He will give you a free estimate of your carpeting job. No obligation to buy.
